We're no monks, but our Belgian-Style IPA gives a tip of the hat to our divine brethren. Brewed with rich malt, noble hops, Trappist yeast and a kick of coriander, this is one complex beer.

Hop Trapp pours with a refined bitter backbone, floral hoppy notes and a decidedly Belgian finish. **This brew is worthy of some serious contemplation.**

.....
TASTING NOTES:

- ▶ Rich malt
- ▶ Refined bitter backbone
- ▶ Floral hoppy notes
- ▶ Complexity from Trappist yeast

PAIRS WELL WITH:

SHARP CHEDDAR, SPICY FOODS, DEVOTION
