Lakewood is more than a place. It's a state of mind. Old blends with new. Traditions hook up with fresh ideas. It's the same with our [Lakewood Lager](#).

We've taken old world Vienna-Style lager and given it our own touch. Subtle caramel aromas, a coppery pour and a light malty sweetness paired with noble hop bitterness set this beer apart. [In with the old, in with the new.](#)

**TASTING NOTES:**
