Is there a better fall treat than pumpkin pie? Nope, which is why there are so many pumpkin beers out there. It's also why ours is based on the dessert, not the gourd.

Our twist: **Punkel** has no pumpkin. It's a dark, malty German lager but with a lighter body enhanced by cinnamon, allspice, nutmeg, and ginger. **Because who doesn't like a little trick with their treat?**

TASTING NOTES:

- ▶ Dark copper hue
- ▶ Toasted caramel malt
- ▶ Pumpkin pie spicing
- ▶ Light to medium body

PAIRS WELL WITH:

SMOKED GRUYÈRE, TURKEY LEGS, FOOD COMAS
