The third in our limited release Legendary Series, **Goatman** is a hybrid of beer styles. It's inspired by the hairy and horned, territorial terror that is said to live around White Rock Lake, startling visitors with flying trash and a nasty attitude.

This dark, unique brew is a melding of a West Coast Black IPA and a German Schwarzbier, encompassing all of the sticky, bitter bite you love, with a smooth, roasted malt body balancing it all out. **It's enough to curl your toes - or maybe your hooves.**

TASTING NOTES:

- ▶ Dark as night
- ▶ Bitter, dank, resin notes
- ▶ Semi-sweet, roasted malt
- ▶ Smooth, robust body

PAIRS WELL WITH:

STANKY, PUNGENT CHEESE, SOUTHERN CHICKEN FRIED STEAK, SPICY CHORIZO, CRAWFISH ÉTOUFFÉE, OR CHOCOLATE TRUFFLES
